Behavioral Teratology Sympo.

Dear Dr. Abel -

I have been following the development of this field with great interest for perhaps 20 years. I suspect, however, that you will find universities poor pickings in your fund raising efforts. we are consumers rather than producers of the kind of money you seek.

You will know many pertinent fund details: do be sure not to overlook Bob Haggerty at the Grant Fin. in N.Y.C.

Sincerely,

Joshua Lederberg
